Founder & Director

Cybersmith *Mar 2022 to Now*

- **Leadership & Governance**: Guided boards by working collaboratively with technical and non-technical staff to help everyone understand each other's needs.
- **Security Consultancy**: Improved organisational security posture and supply chain resilience by taking a business-case first approach to change.
- **Auditing & Testing**: Interfaced with senior leaders to deliver Cyber Essentials+ assessment, cybersecurity guidance and technical penetration testing.
- **Data Protection**: Created data inventories & advised on compliance with the UK/EU GDPR as well as on general privacy best practice.
- **Web Development**: Reviewed complex web applications and provided guidance on how to improve them, both from a security and business efficiency standpoint.

Non-Compete Period After Business Sale

Various Organisations *Feb 2020 to Feb 2022 (2 yrs)*

- **Volunteering**: Coached gymnastics & volunteered locally.
- **Education**: Passed various qualifications required to set up my next business.

Chief Information Officer, IT Director & IT Manager

Fleet Assist *Nov 2009 to Jan 2020 (10 yrs 3 mos)*

- **Security**: Worked within the regulated financial services sector and was responsible for cybersecurity audits from our FCA regulated customers.
- **Data Protection**: Appointed DPO & responsible for all data protection matters including running an extensive 2018 GDPR program to review circa 1000 contracts.
- **Web Development**: Developed from a greenfield project, code reviewed and project managed the web based "Atlas" system which was the company's primary system.
- **Infrastructure**: Built an on-prem/Azure hybrid Hyper-V based Windows Server environment with a fully redundant Juniper/Ubiquiti network.
- **Data Analytics**: Designed and built a multi-award winning (Fleet News and Alphabet Awards) data analytics platform to process over £2bn in automotive maintenance data.
- **People**: Line managed 6 direct reports, with a team of 10 in total across the IT, Software Development, Analytics, Data and Admin departments.
- **Procurement**: Completed multiple IT technology refreshes with budgets up to £100k on projects ranging from software migrations to networking and server installs.
- **Facilities**: Managed the challenging environment of a 15th century manor house and led a £250k project to renovate then move to a modern office.
- **Sales**: Won multiple contracts as the lead tender writer & technical sales presenter with customers ranging from SMEs to multi-nationals.
- **M&A**: Led sale of the business to private investors, demonstrating the ability to raise capital by finding and managing the relationship with investors.
