Founder & Director

Cybersmith *Mar 2022 to Now*

- **Web Penetration Testing**: Tested a broad range of web applications across a spectrum of technology stacks from both a white & blackbox perspective.
- **Finance Due Diligence**: Provided assurance on cybersecurity as part of private equity funding deals valued in the millions.
- **Infrastructure Penetration Testing**: Worked onsite on small branch offices & complex multi-site organisations to deliver improved security for clients.
- **Cyber Essentials & Assurance**: Certified companies from 1 man contractors, all the way up to global multi-nationals.
- **Sales & Business Development**: Built a client base from scratch & developed relationships with them to deliver long-term repeat customers.
- **Security Consultancy**: Guided boards by working collaboratively with technical & non-technical staff to deliver improved organisational security posture.

Non-Compete Period After Business Sale

Various Organisations *Feb 2020 to Feb 2022 (2 yrs)*

- **Volunteering**: Coached gymnastics & volunteered locally.
- **Education**: Passed various qualifications required to set up my next business.

Chief Information Officer, IT Director & IT Manager

Fleet Assist *Nov 2009 to Jan 2020 (10 yrs 3 mos)*

- **Security**: Worked within the regulated financial services sector and was responsible for cybersecurity audits from our FCA regulated customers.
- **Data Protection**: Appointed DPO & responsible for all data protection matters including running an extensive 2018 GDPR project to review circa 1000 contracts.
- **Web Development**: Developed from a greenfield project, code reviewed and project managed the web based "Atlas" system which was the company's primary system.
- **Infrastructure**: Built an on-prem/Azure hybrid Hyper-V based Windows Server environment with a fully redundant Juniper/Ubiquiti network.
- **Data Analytics**: Designed and built a multi-award winning (Fleet News and Alphabet Awards) data analytics platform to process over £2bn in automotive maintenance data.
- **People**: Line managed 6 direct reports, with a team of 10 in total across the IT, Software Development, Analytics, Data and Admin departments.
- **Sales**: Won multiple contracts as the lead tender writer & technical sales presenter with customers ranging from SMEs to multi-nationals.
- **M&A**: Led sale of the business to private investors, demonstrating the ability to raise capital by finding and managing the relationship with investors.
